A concert at Canada Olympic Park this weekend is trying to bring a positive message to Calgary's youth.

The Rock the River tour is an Evangelistic summer concert aimed at spreading Christian values to young people.

It features Christian hard rock and hip-hop bands, and preacher Franklin Graham, son of well-known TV Evangelist Billy Graham.

"It's for everybody. One of our main bands is Flyleaf. It's not a Christian band. It's secular, hardcore rock music, but yet the band members themselves are believers in Christ," says Graham.
